Leadership, Recognition and Academic Engagement

TEACHING | SERVICE | DEVELOPMENT

CONTRIBUTION BEYOND PUBLICATIONS

This portfolio complements my CV and publication record by highlighting how I share knowledge, contribute to team activities and continue learning across disciplines. The selected experiences distinguish teaching and organizational responsibility from participation and recognition.

Selected activities · 2022–2026

Leadership and Knowledge Sharing

Teaching, organizing and presenting applied research

AI Workshop: Team Organizer and Instructor

2023

INSTRUCTOR · COMSATS UNIVERSITY ISLAMABAD / NCAI MIDL

As part of the MIDL team, I helped organize and deliver a five-day practical AI workshop. I contributed to preparing and teaching sessions on deep-learning workflows, computer vision and model implementation, drawing on our applied research experience.

Leadership demonstrated: preparation, clear explanation and responsibility for delivering learning activities.

Breast Cancer Symposium: Organizing Team

2022

ORGANIZING TEAM · COMSATS UNIVERSITY ISLAMABAD

As a member of the organizing team, I helped arrange a breast-cancer symposium at COMSATS University Islamabad. Our team brought medical-imaging research and cancer-diagnostics applications into an academic discussion setting.

Contribution demonstrated: teamwork, event organization and research outreach.

Healthcare Summit: Team Project Presenter

2023

RESEARCH-TEAM PRESENTER · FAST-NUCES, ISLAMABAD

I participated with the MIDL research team in the healthcare summit at FAST-NUCES, Islamabad. We presented our medical-imaging projects, including breast-cancer and brain-tumor analysis, explaining the work and its intended healthcare applications.

Communication demonstrated: explaining applied research and presenting collaborative work outside the laboratory.

Professional Membership and Research Training

SUPPORTING CREDENTIALS · PROFESSIONAL ENGAGEMENT AND LEARNING

ASCE · Student Member, 2024

Student membership in ASCE and its Transportation and Development Institute. Institute certificate covers September–December 2024.

CITI Program · Human Research Training, 2023

Completed the basic course in *Data or Specimens Only Research*, under requirements set by Massachusetts Institute of Technology Affiliates. Verify record. Certificate expired May 2026.

OpenWeaver · Python Training Participant, 2022

Completed *Basics of Python Programming | Learn by Doing*, November 2022.

CONTRIBUTION AND CONTINUED DEVELOPMENT

My leadership evidence comes from helping organize activities, delivering practical instruction and representing team research. Memberships and training complement these responsibilities through professional engagement and continued learning. ***Through doctoral study,*** I aim to contribute through constructive teamwork, peer learning and responsible research practice.

Selected Supporting Credentials

ASCE · student membership, 2024

CITI · completed 2023; expired 2026

OpenWeaver · participation, 2022
